

2021

Corporate Challenge Blood Drive Information

Host blood drives with Versiti Blood Center of Indiana and earn up to 100 points towards the Indiana Sports Corp Corporate Challenge!

How It Works:

1. Host your blood drive(s) between June 1-August 20, 2021.
2. Accrue points for each participant that donates blood.
3. Versiti Blood Center submits all blood drive results to Indiana Sports Corp to tabulate and award points.

See FAQs on back for more information on how the points are calculated.

Get started!

Contact your Versiti representative to schedule your drive(s). If you do not have a Versiti representative, contact:

Joe McGrath

FAQs

What are the Divisions and Points?

Your company's Corporate Challenge team captain will know which division your company is registered in. The corresponding points are as follows:

- Division 1 (1-114 employees): 4 points per participant
- Division 2 (115-199 employees): 3 points per participant
- Division 3 and Division 4 (200 or more employees): 2 points per participant

How many blood drives can we schedule?

There is a limit of 2 blood drives that can be scheduled during the challenge.

Can employees donate twice during the challenge to collect points for the team?

Yes, employees may donate twice between June 1-August 20, 2021 at their company's hosted drive and collect points for each donation. However, donors must wait at least 56 days between donations.

Do I need an appointment to donate?

We encourage all donors to make an appointment in advance, but it is not required. There may be a longer wait time with no advance appointment.

How do I know if I'm eligible to donate?

Eligibility information can be obtained from your company's blood drive coordinator, on [versiti.org](https://www.versiti.org) or by calling 317-916-5150.

Can anyone donate at our drives?

If the drive is open to the public and hosted by your organization, anyone can donate and your team will be credited for the donation. The determination to open participation outside of the company is up to the company scheduling the drive.

Do we get points only if someone is successful in donating blood?

Points are earned by each person who attempts to donate. The number of successful donors and the number of deferred donors comprise the number reported to ISC.

Can I donate at a drive other than the ones my company is sponsoring?

Yes, employees may donate at any mobile drive or center between June 1 and August 20. To be sure you are credited with points for your company for attempting to donate, please make sure to add "ISC 2021" followed by your company's name in the appointment notes in order to qualify. Without this information, we will be unable to credit your donation back to your company.

Is it safe to donate due to the outbreak of coronavirus (COVID-19)?

The donation process itself poses no risk of infecting a donor with coronavirus. If you'd like to donate blood, you are able to as long as you've been symptom free for 14 days. We are monitoring and adhering to guidance from the FDA. For more information, please visit the Centers for Disease Control and Prevention's website at [cdc.gov/covid19](https://www.cdc.gov/covid19).
