

Northwestern Wildcats Football

Brendan Sullivan: Quarterback
Anthony Tyus III: Running Back

Northwestern Wildcats football team has a lot of potential for the future. Likely because many believe it's due to the young new talent on the team. Brendan Sullivan, quarterback, and Anthony Tyus III, running back, are amazing examples of this young have promising football records.

Brendan Sullivan is a 19-year-old and is from Davison, Michigan and has had a lot of success as a student athlete. As quarterback of his high school team, Sullivan won a state championship as a junior, and was ranked the 23rd best player in the state of Michigan. He was also a finalist in Player of The Year. In addition, he has consistently been recognized for his academic accomplishments. This season Brendan Sullivan has had 589 yards throwing and 4 touchdowns. He also has 97 rushing yards and 1 rushing touchdown.

Anthony Tyus III is a 19-year-old running back from Portage Michigan. With his past successes, Anthony has proven he can help lead Northwestern to victory. He was ranked top fifty in running backs nationally. He also rushed for 1,861 yards and 19 touchdowns. Last season, Anthony appeared in nine games and making one start. He also finished the season third on the team with 210 rushing yards. Anthony Tyus III is ranked the second best running back in Northwestern University history.

There is no doubt that Brendan Sullivan and Anthony Tyus III have amazing potential as football players and I look forward to seeing them represent the Northwestern Wildcats Football team in years to come.
