

2018 Inspiring Sports Equipment Distribution  
Volunteer Information Sheet  
PACKER

**Shift Overview:** As a packer volunteer you will be packing all the gear that comes your way. Each cart should come from the check out volunteer and should be labeled with an organization name (Indy Parks – Riverside). You will pack items in trash bags and boxes and put them on a cart ready to be taken out to the car. Sometimes you won't have a cart available and might have to put all the packed gear together until that organization is finished shopping. Please label every box and bag very clearly with the organization (we have had trouble with this in the past).
